Dear Parent /Carer

School Meal Price Increase

I am writing with regard to a recent decision to increase the price of school meals by ten pence from 1 September 2010. This decision has been taken following a recent price review with Eden Foodservice, the company that provides the school meal service within your child's school.

The price of a school meal, from 1 September 2010 will be as follows:

Nursery / Lower Schools	£1.85 per meal
Middle/Special Schools	£1.95 per meal
Upper Schools	£2.05 per meal

Parents and carers who receive appropriate qualifying benefits, such as income support, may be entitled to free school meals. If you believe your child is entitled to free school meals please visit our website, www.bedford.gov.uk or contact your school for further information. If your child is currently receiving free school meals you will not be affected by this decision.

If your child does not currently receive school meals but you are considering this option, or if you have any further queries with regard to the school meal service, please contact your child's school in the first instance.

Yours sincerely

Glenis Quinn
