

Daubeney Middle School

Cycling Policy

Daubeney Middle School recognises the many positive benefits of pupils cycling to and from school. We therefore look to encourage this form of travel behaviour in as many ways as possible.

Some of the benefits of cycling to school include:

- Improving both mental and physical health through physical activity
- Establishing positive active travel behaviour
- Promoting independence and improving safety awareness
- Reducing congestion, noise and pollution in the community
- Reducing environmental impact of the journey to school.

To encourage as many pupils to cycle to school as we can, the school will:

- Actively promote cycling as a positive way of travelling
- Celebrate the achievements of those who choose to cycle to school
- Provide cycle storage on the school site
- Provide high quality cycle training to all pupils who wish to participate.

To make cycling to and from school a positive experience for everybody concerned, we expect our pupils to:

- Ride sensibly and safely and to follow the Highway Code
- Not ride on the school premises (car park, pathways, playground etc)
- Take responsibility for checking that their bicycle is roadworthy and regularly maintained
- Behave in a manner which shows them and the school in the best possible light and to consider the needs of others when cycling
- Encourage the use of cycle helmets
- Ensure they can be seen by other road users, by using bicycle lights and wearing high-visibility clothing, as appropriate.

For the well-being of our pupils, we expect parents and carers to:

- Encourage their child to take up opportunities to develop their competence and confidence in cycling
- Consider cycling with their child on the school run; possibly joining with other families as a 'cycle train'
- Provide their child with the appropriate safety equipment such as high-visibility clothing, bicycle lights and cycle helmet as appropriate
- Provide their child with robust locks to improve security
- Ensure that the cycles ridden to school are roadworthy and regularly maintained
- Consider ensuring that bicycles form part of the covered contents on home insurance policies.

Please note: The decision as to whether a child is competent to cycle safely to and from school rests with the parent(s)/carer(s). The school has no liability for any consequences of that decision. Parents are advised to take out appropriate insurance cover for bikes as the school's insurance does not cover any loss or damage to bicycles.
