

Daubeney's Donation to the Salvation Army

Following our recent Harvest Festival Assembly where the pupils brought in various food stuffs to donate to those less fortunate than themselves these items were collected by representatives from the Salvation Army.

The food that was donated will be used in a variety of ways: given to rough sleepers that come to the Salvation Army's door asking for food; some will be given to families who have been in situations where they no longer have food, such as a house fire or flood; some will be used in meals for the elderly and for children in clubs and groups that are held at their church; some food will be saved for Christmas meals and other meals put on throughout the year for people in need.

The Salvation Army have expressed their gratitude for the donations made by the pupils at the school and have said that without these types of donations they would not be able to continue with the work that they do.

Thank you to everyone who donated.
