Mrs S Evans
Joint Headteacher

Mr D Sansom
Deputy Headteacher

Dear Parent/ Carer

You will be aware that the school was recently inspected by a team of inspectors from Ofsted.

The governors and staff are pleased with the feedback from the inspectors and the report they have written is, we feel, honest and fair. The excellent features of the school that have been identified are the direct result of the hard work consistently shown by all those connected with the school. This includes the pupils, staff, you the parents as well as a large number of people within the local community. For that we are most grateful.

While the report is pleasing, it also identifies areas for development to make the school even better. Staff have already met to consider these points and over the next few weeks will be putting into place strategies to directly address the issues. You may rest assured that every effort will be made to take on board the comments made in this context.

A copy of the full report can be viewed on the school website. However, we are more than happy to provide you with a hard copy on return of the slip below to the school office. The inspectors write a letter to the pupils and this has been attached.

Thank you for your continued support.

Yours sincerely

Mrs S Evans
Joint Headteacher

Mr J Chopping
Joint Headteacher
