

As Halloween approaches Bedfordshire Police is reminding parents and guardians to keep their children safe.

If possible, parents and guardians should go out trick or treating with their children, sticking to well-lit areas and only knocking on the doors of people they know. Some people may have 'No trick or treat' posters up at their doors we ask that these are respected.

Bedfordshire Police is also reminding children and parents to be mindful that some of the more vulnerable or elderly members of the community may feel intimidated by people calling at their doors and appeals to all residents to look out for their neighbours who may feel frightened during this time.

Extra patrols will be on hand over the Halloween and Bonfire Night period to ensure that the evenings can be enjoyed safely.

Our tips-

- Always be accompanied by an adult when you are trick-or-treating.
- You should only go to houses of people that you know and who are happy for you to call.
- Stay safe, keep to places that you know and are well lit. Do not take short cuts through gardens, alleyways or parks.
- Watch out for traffic - drivers might not see you.
- If you are wearing a mask make sure that you can see where you are going and are aware of your surroundings.
- Carry a torch and a fully charged mobile phone (if you have one).
